

Final Scoping Requirements Released

Hello,

Today, the Department of Environment, Land, Water and Planning (DELWP) released the Scoping Requirements document for Hanson's proposed quarry at Bunyip North.

The Scoping Requirements have been stipulated by DELWP and key statutory agencies represented on the Technical Reference Committee. Input from the community through submissions directly to DELWP, response to Hanson surveys and issues registration on the Hanson Community Contact Database has also been provided to DELWP and the TRG for consideration.

The document defines the studies obliged to be undertaken by Hanson to ensure all requirements are considered and all outcomes reported in the Environment Effects Statement.

The Scoping Requirements document can be viewed and downloaded from:

- the DELWP website at <https://www.planning.vic.gov.au/environment-assessment/projects/bunyip-north-granite-quarry>
- the Hanson website at <http://www.hanson.com.au/About/Regulatory-Information/Projects/Bunyip-North-Quarry-EES>
