OPEN HOUSE

## Community Information Session

**BUNYIP HALL**

38 Main Street Bunyip

**Saturday 3 March 2018 from 1–5pm**

Hanson would like to invite our neighbours and the wider community to an Open House information session to receive updates on the Blasting, Planning and Historic Heritage studies being undertaken by Hanson for the Environmental Effects Statement (EES) to develop a quarry at Sanders Road, Bunyip North.

The Project Manager, representatives of the Department of Environment, Land, Water and Planning and Cardinia Shire Council will be available to discuss the EES, and the relevant specialist consultants will also be available to provide information on the progress of these studies.

Appointments at 15 minute intervals from 1:00pm – 4:45pm can be prearranged with each of the specialist consultants for Blasting, Planning & Historic Heritage by calling 0437 900 124 during business hours.

Hanson would also like to take this opportunity to seek community input.
