Good morning Andrew,

RE: Clearing vegetation and Hanson Quarry at Luscombe

I advise that the Director of Vegetation Management, DNRM, has considered your enquiry (attached) and has determined the urban purpose/urban area exemption provided in Schedule 24, Part 2, Item2(g) *Sustainable Planning Regulation 2009* can be applied in this instance to the clearing of native vegetation on Lots 2 RP 813599, 80 CP 893560, 2 RP 15903, 1 CP893559, 1 SP244693/1 RP54359, 2 RP167150, 1 CP893562 and 67 WD1009 based on the following reason:

- Council has indicated through the negotiated decision notice (PN13178/01/DA2) issued 23 February 2011, in particular Condition 1, that it will permit extractive industry development in areas zoned as Open Space under the Yatala Enterprise Area LAP.

If you have any questions regarding this determination please contact the Brisbane office of DNRM.

Regards,
Patrina
