

OPEN HOUSE

Community Information Session

TONIMBUK EQUESTRIAN CENTRE

370 Sanders Road Bunyip North

Saturday 22 July 2017 from 1 – 5pm

Hanson would like to invite our neighbours and the wider community to an Open House information session to view the Draft Scoping Document for the Environmental Effects Statement (EES) Hanson is undertaking to develop a quarry at Sanders Road, Bunyip North.

Meet the Project Manager and a range of specialist consultants to hear first-hand about the scope of work defined by the Department of Environment, Land, Water and Planning and relevant agencies essential to respond to the requirements of the EES. Information applicable to the EES process, its current status and studies to be undertaken will be available.

Hanson would also like to take this opportunity to seek community input.
