

EES Draft Scoping Requirements

Hello

The Department of Environment, Land, Water and Planning has officially commenced the public exhibition of the Draft Scoping Document with the publication today of advertisements in *The Age*, *The Australian*, *The Herald-Sun* and *The Pakenham Gazette*.

The public comment period commences today for a period of 15 days, and will close at 5:00pm on Wednesday 9 August 2017.

The Department's project webpage at has the draft Scoping Requirements available for download, the link for this page is <https://www.planning.vic.gov.au/environmental-assessment/projects/bunyip-north-granite-quarry>

Hanson also has the document available at its Bunyip North EES Project webpage. The link for this is <http://www.hanson.com.au/About/Regulatory-Information/Projects/Bunyip-North-Quarry-EES>

To support this process, Hanson is conducting an Open House forum at Tonimbuk Equestrian Centre from 1:00pm to 5:00pm this Saturday 22 July 2017 providing the community with the opportunity to seek information and to register their concerns or issues.
