MEETING START TIME 5.30pm

Item	Discussion Point	Action / Close Out
1.0	Welcome / Apologies	
1.1	MM provided some background on the WWQCCC, opened the meeting and welcomed all participants. All participants provided a brief introduction on themselves.	No action required
1.2	Apologies: See Above	Nil to report
1.3	Absent: See Above	All members notified
2.0	Adoption of minutes from Last Meeting	
3.0	Business Arising from Minutes	
3.1	See below details under each relevant topic	See below details under each relevant topic

4.0	Correspondence	Nil to report
5.0	Reports	
5.1	Wagga Quarry received a penalty notice for breaching the DA condition related to afternoon traffic movements.	Hanson aiming to submit modification to avoid further breaches as currently this is a very difficult condition to manage.
5.2	Hanson reports are updated online as required. See: http://www.hanson.com.au/About/Regulatory-Information/Projects/Wagga-Wagga-Extension-Project	No action required
6.0	General Business	
6.1	Quarry business update by JN - Planned plant upgrade aimed to improve sand quality and reduce processing hours	No action required
6.2	River flood damage - Ongoing earthworks on site - continuing repairs after flood damage	No action required
6.3	Water Management	Nil to report
6.4	Reserve (Pomingalarna)	To be removed from future agenda
6.5	Condition of Roach and McNickle Rd - MM explained the correspondence between Hanson and WWCC	MM to follow up relevant contacts in WWCC and to setup a meeting on site to discuss the road condition and planned repairs. Ideally goal should be for a WWCC representative to join the next WWQCCC. PDB to assist MM in making contact with WWCC should MM continue to struggle with making contact.
6.6	Noise	Nil to report
6.7	Dust	Nil to report
6.8	Hanson staff movements: - BP started as Environmental & Compliance Coordinator taking over from Pip Cox	No action required
6.9	WWQCCC representatives - New community member present <ul style="list-style-type: none"> o Warren Fisher o Michael Standley 	No action required

6.10	<p>Afternoon truck movement restrictions</p> <ul style="list-style-type: none"> - MM outlined the following restriction in the current DA 07_0069 – Schedule 2 Condition 6(b): <i>The proponent shall not permit more than 6 heavy vehicle movements per hour between 3pm-6pm.</i> - MM explained the challenges in managing this condition of consent. MM also referred to the recent penalty notice from the Department of Planning & Environment (DoPE). - MM reiterated that Hanson is seeking to apply for a modification to Schedule 2, Condition 6(b). - BP explained that Hanson is applying to the DoPE for a modification to product dispatch truck levels, and that documentation was submitted to the DoPE for an adequacy review. - Feedback from CCC members was generally positive with CCC members understanding the difficulty in managing the current restrictions. - The CCC members were not concerned about potential safety impacts as the original restriction was based around potential school bus movements which have not eventuated and are no longer expected in the future. - Having discussed the content of the modification in regards to the proposed changes in traffic movements, GDB voiced concerns in regards to the traffic movements between 5-6pm due to this being the usual time of travel for most residents returning from work. - GDB suggested that the restriction of 6 movements per hour be maintained between 5-6pm (There was no concern in regards to number of movements between 3-5pm). 	<p>JN to follow up Robbo’s current truck movements and driver behaviour (<i>Another</i> reminder of conditions and expectations)</p> <p>MM to notify the CCC members before submission of the modification.</p> <p>BP to consider amending the details in the modification as per the concerns raised in the WWQCCC meeting, such that:</p> <ul style="list-style-type: none"> • the allowable number of heavy vehicle movements per hour is only increased between 3pm-5pm, and; • the restriction of 6 heavy vehicle movements per hour is maintained between 5pm-6pm
7.0	Site Visit	
7.1	<ul style="list-style-type: none"> - All participants were taken for a tour around the site. 	No action required
8.0	Close and Next Meeting	
8.1	<p>Frequency and scheduling of WWQCCC meetings:</p> <ul style="list-style-type: none"> - Meetings were agreed to be on a yearly frequency, with additional meetings to be scheduled as required. - Next meeting to be scheduled by the 	No action required

	Hanson Area Manager accordingly.	
8.2	<p>Format of WWQCCC meetings</p> <ul style="list-style-type: none"> - CCC guidelines are available online and the WWQCCC proceedings will need to come in line with these guidelines over the next few meetings. 	<p>MM/BP to review and understand the CCC guidelines by the next meeting.</p> <p>BP to confirm via old emails from Pip Cox that RW is an approved chairperson as the DoPE.</p> <p>MM to contact RW offline ahead of the next meeting to discuss the chairperson role and responsibilities.</p>
