Dec	16.23	Between 9am and 3pm	Production Blast

Our Project Approval requires a published Blasting Schedule on the Hanson website.

The following Blasting Schedule may be subject to delays from production constraints or by unforeseen weather conditions on the day of the blast, such as low cloud, strong winds or temperature inversions. East Guyong Quarry is permitted to carry out blasting on site from Monday to Friday between the hours of 9am and 3pm. No blasting is permitted on Saturdays, Sundays & Public holidays.

Should you have any queries or concerns, please do not hesitate to contact the Blasting Information Hotline on **02 6368-7190** or alternatively Contact **Chris Cooke** on **0409 907 043** or **chris.cooke@hanson.com.au**
